1.1.1 The Study of Earth Science

- Read the text (pg 2-6)
- Answer questions #2-4 on page 6. (Question 4 is sort of an extension of question 3.)
- Read the career box and write down one fact about geologists

1.1.2 Age of the Earth

- Read the text (pg 7-11)
- Answer questions #1-4 on page 11.
- FYI sections:
  - What is uniformitarianism? Who penned the name? What branch of science was this theory fundamental to?
  - Why is scientific data generally considered trustworthy?
  - What is the appearance of age theory? Who introduced this idea?

1.1.3 Maps

Watch video: https://www.youtube.com/watch?v=NSSShnrpq4

- Read page 12 through first full paragraph on page 13

Watch video: https://www.youtube.com/watch?v=JORm7xbIbTs

- Read the rest of page 13 (including FYI) through first paragraph on page 14

Watch video: https://www.youtube.com/watch?v=kIID5FDi2JQ

- Read the rest of page 14 to the end of the section

- Do WS 1.1.3 C

- Take Chapter 1 Quiz (open book, no help from parents)
